Hello T S,

We have some questions regarding the scope of your request.

1. The ABS produces the Census in various languages including braille. Does your request include all languages or only the English form?
2. The ABS has several forms within the Census. The household form is the main form used but there are also personal forms. Your wording implies a singular form, can you confirm which forms your request includes?

Since our last correspondence, we have found that the 2021 Census form is also available on the ABS' website. That can be found here:
