Option B - seek reduction or non-imposition of the charge

13. You may contend that the charge has been wrongly assessed, or should be reduced or not imposed. Section 29(5) of the FOI Act provides that, in deciding whether to reduce or not to impose a charge, the decision-maker must take into account any relevant reasons, including whether payment of the charge, or part of it, would cause your organisation financial hardship, and whether the giving of access to the documents is in the general public interest or in the interest of a substantial section of the public.
14. If you wish to contend that the charge has been wrongly assessed or should be reduced or not imposed, please set out your reasons and the evidence in support of your reasons as clearly as possible. If you believe that payment of the charge would cause your organisation financial hardship, please provide sufficient details of your financial circumstances to enable the decision-maker to make a well-informed decision in this regard.

15. If you wish to withdraw your request you may do so in writing.

Time limits for processing your request

16. Section 31 of the FOI Act provides that where a notice is sent to an applicant regarding the payment of a charge in respect of a request, the time limit for processing the request is suspended from the date the notice is received until either:
