Dear Baroness Beeban Kidron,

FOIREQ22/00211

Freedom of information request and opportunity to make submission

I am writing to inform you that the Office of the Australian Information Commissioner (OAIC) has received a freedom of information (FOI) request, the scope of which includes documents containing your personal information.

The relevant documents are attached.

Under the *Freedom of Information Act 1982* (FOI Act), when we receive a request covering documents of this kind and we believe the person or organisation concerned may wish to contend that the documents are exempt from release, we are required to consult before releasing the documents, if it is reasonably practicable to do so (under s 27A of the FOI Act).

Opportunity to make a submission

I invite you to make submissions raising any objections you may have to the release of the attached document under the following exemption in the FOI Act (paraphrased):

1. Section 47F – disclosure would involve the unreasonable disclosure of personal information of any person (including a deceased person). This exemption is intended to protect the personal privacy of individuals.

We note that more information about s 47F is available in the Part 6 (Conditional exemptions) of the *FOI Guidelines*, available at www.oaic.gov.au/freedom-of-information/foi-guidelines/part-6-conditional-exemptions.

Access must be given to documents covered by a conditional exemption under s 47F unless this would be contrary to the public interest. If you consider that the document falls within the scope of s 47F you must also indicate whether you believe that disclosure would be contrary to the public interest.

If it is your view that any of the documents falls within the scope of the exemptions outlined above, would you please consider whether deletion of any specific information from the relevant document (under section 22) would address your objections.

Please note that it is not sufficient simply to assert that one of the exemptions applies and that disclosure would be contrary to the public interest. You need to provide reasons and supporting evidence. Also, while your comments will be taken into account, the final decision about whether to release the documents rests with the decision maker in our agency. If the decision

maker decides to grant access to any document whose release you opposed and you have made a submission in support of your contention that the document is exempt under one of the provisions of the FOI Act above, you will be given written notice of the decision and the opportunity to seek review of the decision before the document is released.

Please note that we have only sent you the documents we wish to consult with you on.

Other matters you may wish to note

Beyond the above outlined exemptions, it would be much appreciated if you could note if there are any other sensitivities you wish to note regarding the release of this document. Particularly if you consider our consultation with you regarding this issue is in itself sensitive.

Disclosure log

If we decide to grant access to the requested document we are generally obliged to publish the information on our [disclosure log](#).

How to make your submission

Please send your comments in writing by close of business on **Monday 19 September 2022** by return email to me. Please cc in xxxxx@xxx.xxx.xx and use OAIC reference **FOIREQ22/00211** in all correspondence. We note and apologise for this short timeframe. We are requesting your response in this time to allow us to meet the statutory timeframe under the FOI Act.

If a response is not received by this date, I will assume you do not object to the release of the document.

Please note that information outside of the scope of the applicant's FOI request has been redacted from the attached bundle.

If you have any questions, please feel free to contact me.

Good afternoon Beeban,

Thank you for your email, and for confirming that you have no issue with the release of this information.

I can confirm that the relevant FOI request was not directed at your meetings with the Commissioner, but was instead a broad request for OAIC Executive Committee meeting minutes. These documents happened to contain the material regarding your meeting with the Commissioner.

Please do not hesitate to contact me if I can clarify the above further.

Kind regards,

Llewellyn

Thank you Llewellyn

I am happy for you to publish this but would like to know if the request was especially directed at finding out if the Commissioner spoke to me personally - rather than a more general issue of her engagement with stakeholders.

My diary says that the call was on the 9th Feb at 7am Wednesday. I see that Sara and Angelene

put it on different days which appears to suggest two calls - I am guessing this is a time zone issue but you might want to rationalise that your end.

All best

Hi L See my comment within. Please amend and send. Kind regards Marg 10/08/2022
 Hi Marg, After speaking with Emma, I have drafted acknowledgement to the FOIA, requesting that they clarify the scope of their request. Would be appreciated if you could clear. Once scope is confirmed, Emma has suggested we advise the commissioners x 2 (Angelene/ Leo with cc to Libby) about the request separately. Kind regards, LH 10/08/2022
 Hi L New FOI matter allocated to you. Can you please: 1. Update FOI tracker 2. Prepare ack to FOIA 3. Draft S&R to Executive Assistant and CC Angelene, Libby - need to check with Emma about recipients for this. Check Sam Lidbetter's email about things we need and whether she needs to be CC'd as well as the OAIC executive assistant email. Kind regards Marg 09/08/2022

 Hi Marg, FOIA has come back to confirm scope of request. Noting this one is due 5 Septemer, I have re-drafted S&R request to Samantha for your clearance - would be good to get this one out today since the due date is coming up. As per Emma's suggestion, cc'd in commissioners for their oversight of request. Kind regards, LH 15/08/2022

Hi L I had a quick look at the material from line area. We may need to undertake CC/TPC with a number of agencies and private individuals/organisations given its contents, if we are considering release. Can you please review the material, get a paralegal to create a bundle and schedule for you, so we can consider TPC/CC if that's required asap? Thanks. Kind regards Marg 30/08/2022

 Emily Hi Emily You will have seen that we received responses from 3 CC parties with questions or requesting to see the pages referring to them. I have drafted responses and put them in one word doc for you to review, along with the pages concerning IPEA and PM&C with unapplied redactions. Once approved I will apply redactions and send

 Hi Emily I have now updated the draft CC emails with addresses for recipients and updated the due date (based on us sending off today). Please let me know if they can be sent off - the ACCC has also responded and said they have no problem with the release of the docs. Thanks Molly 13/09/2022 Hi Emily, I sent the emails to Sam and the ACCC yesterday. I have now updated the draft email to all remaining CC parties - it is 9th from the bottom of the document list. Please let me know if you have any changes. Thanks Molly 6/09/2022 Hi Molly, ACCC bundle and draft email look good please finalise and send. Same for email to Sam. I made a few final changes to email to John. I have decided we won't send a copy of the doc its a lot of work and doesn't really add anything - if anyone asks we can provide. Yes please draft all in single word doc and I will review. Thanks. Hi Emily Please see the following updated docs for your review: 1. ACCC Bundle - I have now saved a redacted version. I did one more search of the main bundle and identified two more pages where the ACCC is mentioned but where it wasn't highlighted in green. These don't appear to be in relation to the secondment so there may not be an issue with them but I have included these in the redacted bundle anyway for you to check as it is easier to just look at them along with the other pages and I can delete later if these are irrelevant. These are the last two pages in the Redacted ACCC Bundle. 2. Draft email to Samantha Lidbetter asking for contact details. 3. Draft PM&C email - I have accepted your changes and updated to only be addressed to John per your comments below. Once approved I will use this as a template to draft emails to all other parties (and once we have contact details). As there are quite a few people I am mindful of clogging up the file - do you want me to put all draft emails in one word doc for you to review? Thanks Molly 2/09/2022 Molly, Thanks for helping with this matter. For the ACCC bundle - see comments in table - with the documents we need to redact everything that isn't relevant to ACCC consult for the documents and then remove green highlighting. The draft email looks good. I will review docs again and then we can send. We have extra 30 days now so they can have a week from Monday - 12 Sept to get back to us For other CC - we will need to do individual emails (not grouped by agency). I have left some notes about those we don't need to consult with. Can you review. Please prepare draft email with all names that we don't have email address for to Sam Lindbetter asking her to assist and provide contact email addresses for my review. Please see mark up's on draft PM&C email. We can then prepare the individual emails. Same time frame 12 Sept Happy to discuss. Emily Hi Emily Please see the following docs on the file for your review: 1. Schedule of all parties highlighted in green - I have put some comments in this table pointing out some areas I'm not sure about 2. Bundle of all pages where the ACCC is highlighted in green 3. Draft CC emails to the ACCC and PM&C. The ACCC is more like a standard CC but I have drafted the PM&C to be a bit more informal to then use as a base for the remaining parties. I have just read the previous filenotes after drafting these and I can see that we have received a TPC extension so I will update the deadlines in these after you have reviewed. Kind regards, LH Yes please send. Thanks L. Kind regards Marg 04/10/2022 Hi Marg, Thank you for reviewing - I have added in a line "disclosure could prejudice the security of OAIC internal meetings for internal staff members" in the public interest test - all your changes look good. Please let me know if it's all good for me to finalise decision to send to the Commissioner for any comment. Kind regards, LH 4/10/2022 Hi L Minor comment for your consideration in draft decision. Thanks. Kind regards Marg 04/10/2022 Hi Marg, Draft decision, marked up doc bundle and schedule are on file for your clearance - marked as key docs.
