Thanks very much Molly. This looks good. Can you please cc me, Emily, Marg and Annamie into your email to the Commissioners. Thanks Emma. 13.9.22. Hi Emma We have not received a response from the applicant. Please see my draft S&R email and attachments based on the clarified scope. Thanks Molly 13/09/2022 Thanks Emma, I have sent it. Molly 9/09/2022 Thanks very much Molly, looks great. I've only changed the response date to Monday 12 Sept so that we can get the S&R out. Can you please send from the legal inbox? Thanks Emma. 8.9.22. Hi Emma Please see draft email to applicant on file for your review. Thanks Molly 8/09/2022 Hi Emily As discussed please see draft follow-up email for your review. Thanks Molly 6/09/2022 Hi Molly looks good please finalise and send. Regards, Emily Hi Emily, Please see updated draft email clarifying scope. Thanks Molly 30/08/2022 Hi Molly, As discussed, lets please clarify scope. Seeking whether she is referring to Commissioners/Deputy Commissioner/Assistant Commissioner or all of them. Thanks Emily Hi Emily I have saved draft ack to documents - please let me know if it can be sent off now or if we should discuss S&R first as it is a very broad scope. Thanks Molly 30/08/2022 Hi Molly Please find new FOI request allocated to you. Can you please have a chat with Emily and Emma about this matter regarding the scope of the FOI request. There does not appear to be a limit to the scope so it could be voluminous. We need to draft 1. Ack to FOIA 2. S&R - discuss with Emily and Emma first 3. Update FOI tracker. Kind regards Marg 30/08/2022

Hi Emma Please see draft EOT request email for your review. For this matter we had already requested clarification re scope (we had said if we do not hear back we will assume use of 'Commissioner' just refers to Angelene and Leo) and never heard back so the FOIA may not reply to this either. Thanks Molly

File Note Elliott, Emily 27-Sep-2022 30-Sep-2022

Hi Emily I have now compiled the master bundle and schedule - please see both docs on file. I have also noted in the schedule which docs you have already identified as requiring CC/TPCs. There are a few attachments which are corrupted or which haven't been provided so I will email Sam now and ask her for them and then update the docs once we have them. Thanks Molly 29/09/2022 Hi Molly, I have made some changes - I don't want to specify at this stage under which provision I will be undertaking the consult as I may identify more third parties. If you are happy with changes please finalise and send. Then amend resolve and the FOI tracker to show the new due date. Regards, Emily Hi Emily Please see draft email to FOIA for your review. Thanks Molly 26/09/2022 Hi Molly, I have review potential TPC docs and schedule. I consider consultation with third parties will be required, including QLD government and UTS. I will potentially identify additional third parties after review of the full bundle of documents. Can you urgently prepare notification the applicant that we are extending the timeframe for third party consultation for my review. This needs to be sent today. Regards, Emily Hi Emily Please see TPC docs and schedule on the file - I have included one of Leo's emails in there too but you may want to review the master schedule to check whether any other of Leo's emails seem like they may involve a TPC. Thanks Molly 26/09/2022

Hi Molly, I've drafted the acknowledgment letter for this matter for review. I've also gone through the doc bundle for 00253, however the first 10 emails + attachments don't add up to the 290 pages that is requested. I also can't find another discrete bundle of that many pages on that file. Do you recall which exact emails and attachments you reviewed as mentioned on page 2 of the 00253 consultation letter that applicant is referring to? Thanks! Georgie 02/11/2022

Hi Molly, I've created the bundle and draft schedule and saved in the file. I didn't get round to putting in the number of pages per document today though. Thanks, Georgie 11/11/2022 Hi Georgie Please refer to the email from Romina providing S&R response, and the master doc schedule (docs 12 and 15). Can you please: 1. Save all emails from Romina (along with their attachments) as PDFs and then create a master doc bundle, combining them from oldest to newest. 2. Complete the master doc schedule I have started to list all emails and their attachments, and also make changes per my comments on the table. We can discuss once you have had a look at the material. Thank you! Molly 10/11/2022
