Annotation under s 51(1)(B) of the FOI Act. Verity Pane made an amendment request regarding the final paragraph in this email (see FOIREQ22/00432). The delegate has decided to refuse the amendment request. In accordance with s 51(1)(B) of the FOI Act this document is annotated using the below wording from the Applicant's amendment request:

'You cannot say you did not receive a response to your practical refusal consultation when the foi itself stated that any such practical refusal consultation is given a response of no withdrawal.

You claim is misleading and untrue.

For the purposes of the FOI Act I seek amendment of your misleading and untrue claim that no response was given as it factually incorrect as the foi itself gave such a response in the event of such a practical refusal consultation.'
