TREATMENT	CARD COS	T (2020-21)*		
		Gold	White	
Active Users		113,708	71,161	
Cost per Active User		\$24,350	\$3,680	

*In 2021, DVA adopted a new model for estimating average treatment card cost. Rather than all cards issued, this model uses Active Users, a measure of the quarterly exposure of card holders that have ever had health expenditure covered to date. Care should be taken when comparing these figures with previous years.

^{*} receiving either a commuted or perodic (MRCA only) permanent impairment payment
