

Current Auto Response – Business Innovation - 8 November 2022

Thank you for your email to the **Business Innovation** mailbox.

Pre - lodgement & general enquiries sent to this mailbox **will not** be responded to, please refer to [Immigration and citizenship \(homeaffairs.gov.au\)](http://immigrationandcitizenship.homeaffairs.gov.au).

This mailbox is provided for advice on **complex policy or procedural questions** relating to the Business Innovation and Investment Program (subclass 188, 888, 132) before the application is lodged and is for Migration agents and Legal Practitioners only.

All enquires by applicants or potential applicants should be directed to the appropriate contact channel located at [Overview \(homeaffairs.gov.au\)](http://overview.homeaffairs.gov.au)

Processing Enquiries

Enquiries relating to when an application may be allocated to a decision maker for processing will not be responded to. Please refer to:

The current skilled visa processing priorities can be found on the Department’s website at - [Skilled visa processing priorities \(homeaffairs.gov.au\)](http://skilledvisa.homeaffairs.gov.au)

Current global visa processing timeframes can be found on the Department’s website at - [Global visa processing times \(homeaffairs.gov.au\)](http://globalvisa.homeaffairs.gov.au)

Applicants should be aware that the processing time for some visa applications **may exceed the average processing time**. This is because each visa subclass contains applications that have a different processing priority.

Visa processing times are updated monthly, providing you with an **indicative** timeframe for processing applications.

Attention registered migration agents:

Registered Migration Agents / Legal Practitioners are to submit your enquiry directly through the Agents Gateway at: <https://immi.homeaffairs.gov.au/help-support/departmental-forms/online-forms/registered-migration-agents-enquiry-and-feedback>.

In your enquiry please provide specific reference to the relevant legislation and/or policy provision.

We will **only** provide a response where we receive a clear and complex policy query for which the answer cannot be found in existing resources in your professional library such as LEGEND.com as well as information available on our website and [Skilled visa newsletters](http://skilledvisa.homeaffairs.gov.au/newsletters)

Email enquiries sent directly to this mailbox **will not** be actioned.

Your enquiry must be submitted through the Agents Gateway as noted above.

#####

Current Auto Response – Business Skills Adelaide - 1 November 2022

This automatic response is confirmation that we have received your email

When emailing this mail box, include your file number in the subject line as well as your application identifier. Your file number is in the format BCC20XX/XXXX

Released by Department of Home Affairs
under the Freedom of Information Act 1982

Information included in this auto-response relates only to the following Skilled visas:

- Business Innovation and Investment (subclass **188**) (Provisional)
- Business Innovation and Investment (subclass **888**) (Permanent)
- Business Talent (subclass **132**)
- Business Skills (subclasses **890, 891, 892** and **893**)

Enquiries about other visas may be saved to your departmental record but will not be actioned further. You should direct your enquiry to the relevant business area.

Please read this auto-response carefully as most questions you may have will be answered in the following information.

Application status enquiries

Status enquiries **will not** receive a further response.

We will also not acknowledge receipt of documents. **This automatic response is confirmation that we have received your email.**

We are unable to provide updates on the status of individual applications; however, this email provides information about average processing times and priority processing arrangements.

Processing times

Updated processing times are available on the Department's website at: <https://immi.homeaffairs.gov.au/visas/getting-a-visa/visa-processing-times/global-visa-processing-times>.

Visa processing times are updated monthly, providing you with an **indicative** timeframe for processing applications.

Applicants should be aware that the processing time for some visa applications **may exceed the average processing time**. This is because each visa subclass contains applications that have a different processing priority. Your visa may also take longer to process if:

- information required for your application is incomplete or missing, or
- your application is complex

Processing priorities

As you may be aware, the processing of certain Skilled visa applications is subject to both Migration Program planning levels and priority processing arrangements set by the Minister which determine the order in which the applications are processed.

The Department must process applications in accordance with planning levels and processing priorities.

Information regarding Migration Program planning levels is available at: <https://immi.homeaffairs.gov.au/what-we-do/migration-program-planning-levels>

Information regarding the processing priorities is available at:

<https://immi.homeaffairs.gov.au/visas/getting-a-visa/visa-processing-times/skilled-visa-processing-priorities>.

The current processing priorities came into effect from 28 October 2022 and apply to applications lodged with the Department on or after this date. They also apply to applications that were lodged with the Department before this date and are not finalised including those in the final stages of processing.

Providing documents

This information is for applications being processed by BIIP Program Delivery South Australia (Adelaide Business Skills) only.

If your business or investment activity is located in the People's Republic of China, Macau, Hong Kong or Taiwan you must send your documents to the [Australian Consulate General](#) Hong Kong.

You should provide all supporting documentation as soon as possible after lodging your application as sending a request for further documents is at our discretion. **We are not required to request further documents before making a decision on an application.**

Required documents for Business Innovation and Investment visas

Application checklists and information about required supporting documentation is available on our [website](#):

- [Subclass 132 applications](#)
- [Subclass 188 applications](#)
- [Subclass 888 applications](#)

Provide a selection of documents and supporting evidence that are specific to your claims and the visa criteria. Providing excessive or irrelevant supporting material, or submitting incomplete documentation, will extend the processing time of your application.

How do I provide the documents?

Documents should be provided through [ImmiAccount](#) where possible, or via email to: business.skills.adelaide@homeaffairs.gov.au where ImmiAccount is unavailable.

You must provide either clear, colour scans or photos of documents.

Documents provided electronically do not need to be certified copies, but you should be aware we can later request original documents if required to assess your application.

Our website has instructions about using [ImmiAccount](#) including how to attach documents and acceptable document formats. This information is also relevant to providing documents via email.

Documents cannot be provided via links to cloud and file sharing services and information presented this way is not before the Department for the purpose of considering an application.

Using ImmiAccount to provide documents

If you submitted your application through ImmiAccount for one of the following subclasses you should attach all documents to your application in ImmiAccount.

- Business Innovation and Investment (subclass **188**) (Provisional)

- Business Innovation and Investment (subclass **888**) (Permanent) for applications lodged after 1 July 2018

Successfully attached documents will show as 'Received' in ImmiAccount. Please do not email duplicate copies to us.

If you reach the attachment limit for an applicant, you can attach more documents to other clients included in the application.

Using email to provide documents

If you are unable to provide document via ImmiAccount, please provide documents by email to: business.skills.adelaide@homeaffairs.gov.au

Your Application ID and File Number must be included in the subject line of your email. The file number is the number commencing BCC20XX/XXXX and was provided in the email acknowledging your application was received by the Department.

Requesting additional time to provide information

Departmental officers can only provide an extension of time to respond to an invitation to comment/provide further information before the original timeframe for response expires and the amount of additional time that can be provided is prescribed in legislation.

Consequently, consistent with visa processing arrangements, requests for further time to respond will be considered when the application is reviewed by a departmental officer and not when the request is received. At that time the officer will decide whether to issue a further request for information to provide more time for the application to provide requested information.

Factors relevant to the officer's decision will include, but is not limited to, the documentation provided evidencing the attempts made to obtain the necessary information. Where possible this information should be attached to the application in ImmiAccount.

Health and Character

If you are unable to provide a police clearance or undertake a medical examination then you should provide evidence via ImmiAccount/email, such as receipts, that clearly show you have either:

1. Applied for the required police clearances; and/or
2. Made appointments for medical examinations; or
3. Explain you have been unable to do so. For example if your passport is with a government agency and you are unable to make an appointment for a medical examination.

Providing evidence that you are seeking to satisfy health and character requirements assists with the processing of your application for a visa.

Where you have provided evidence through your ImmiAccount/via email in relation to your attempts to obtain medical appointments and/or police clearances you **do not** need to request an extension of time to provide the clearances - we will take this into account when we next review your application.

If you have not been requested to undertake a medical examination, there is no need to contact a visa medical services clinic in Australia or an overseas panel clinic at this time. When your application is assessed, you will be advised if a medical examination is required.

Information for clients unable to make their first entry to Australia (Initial Entry Date)

If you have been granted one of the visas listed above and you are unable to make your first entry into Australia by the date specified in your Grant Notification letter, please refer to the attached **Facilitation Notice**.

We understand there will be circumstances where visa holders can't arrive in Australia by the first entry date. Generally you can arrive in Australia after the first entry date, as long as it is before the **"Must not arrive after"** date. You will find the **"Must not arrive after"** date in the visa Grant Notification letter sent when the visa was granted (see example below).

Example:

Visa duration and travel

Date of grant	25 February 2020
For first entry, arrive by	25 February 2021
Must not arrive after	25 February 2024
Length of stay	25 February 2024
Travel	Multiple entries

You do not need to be granted an extension to the initial entry date but you must enter Australia by the "Must not arrive after" date.

You may wish to carry a copy of the Facilitation Notice when travelling. You may need to show it to your travel provider or the airline when checking in at the airport, and to the border officer on arrival in Australia.

This notice should be sufficient evidence for a travel provider to be satisfied that the visa holder can enter Australia as the holder of a Skilled Migration visa. If you show this letter to the airline, but still have a problem checking-in for your flight, ask the airline representative to contact the Australian Border Operations Centre (BOC) to resolve the issue.

You can only enter Australia while the visa mentioned above is valid. Information about your visa validity period is contained in your visa grant notification. You can check your visa details in VEVO: www.homeaffairs.gov.au/vevo

This office cannot assist with facilitation requests for other visa subclasses. You will need to contact the processing office that granted your visa.

If you are a Migration Agent or Legal Practitioner

Emails requesting a pre-lodgement assessment or migration advice will not receive a response. If you are a Registered Migration agent or Legal Practitioner and require information on complex policy or procedural issues, please refer your enquiry through the [online form](#).

If you are an Intending Migrant

Emails requesting a pre-lodgement assessment or migration advice will not receive a response. For further information on Skilled Migration to Australia, refer to the [Working in Australia](#) page on the Department's website.

You can find information about who can help you with an application for a visa [here](#).
