Hi all

This is just a short note to follow up our discussions at team meetings about requesting that s 47F undertake conflict checks before commencing work on individual files (this includes FOI, advice and litigation matters). s 47F firm assists other government clients with FOI processing, and it is possible that conflicts, or perceived conflicts, may arise in relation to requests by particular FOI applicants.

Please record the result of any conflict check undertaken on individual Resolve files.

Please don't hesitate to ask me or Emily if you have any questions about this request.

Kind regards
Emma.
