Dear Dale Webster

FREEDOM OF INFORMATION REQUEST – NOTIFICATION OF THIRD PARTY CONSULTATION

I refer to your request to the Treasury on 15 November 2022 for access under the *Freedom of Information Act 1982 (FOI Act)* to the following:

I request copies of all documents, including correspondence, held by Treasury pertaining to the management of the Authorised deposit-taking institutions points of presence data by the Australian Prudential Regulation Authority (APRA) from 2021 and 2022.

On 3 December 2022, you refined the terms of your request as follows:

I am seeking documents (including correspondence) pertaining to classification errors in the authorised deposit-taking institutions points of presence data (also known as ADIPOP) published by the Australian Prudential Regulation Authority (also known as APRA), including anything that refers directly to the Bendigo and Adelaide Bank (also known as Bendigo Bank and Rural Bank) and Rabobank, from May 2021 onwards.

Third Party Consultation

I have identified a third party that might reasonably wish to make an exemption contention under the FOI Act, namely sections 27A (personal privacy).

The statutory timeframe for processing this request will be extended by 30 days to allow for consultation to occur with this third party.

Yours sincerely
