Dear Ms Loom

I acknowledge receipt of your request on 28 November 2022, under the *Freedom of Information Act 1982* (FOI Act), in the following terms:

I request all correspondence between you and the Assistant Treasurer relating to the Government's policy on the amendment proposed by Senator Nick McKim on the Financial Accountability Regime Bill 2022.

I am not seeking drafts of the above documents.

The FOI Act provides that we have 30 days to process the request. This period may be extended if we need to consult third parties or for other reasons. We will advise you if this happens.

We will advise you if a charge is payable to process your request and the amount of any such charge as soon as possible.

We make the following assumptions that affect the scope of the request. These are set out below.

It is our usual practice:

- not to disclose the personal information of government employees or the personal contact details of senior government employees (including those of the Treasury). The names of senior officers will generally be released.
- not to release duplicates of any document captured within the scope of the request.
- only the final version of a document will be considered within scope.

Please inform us if you do not agree to the request being processed on the above assumptions. If we do not hear from you, your request will be processed on the basis that these documents are outside the scope of your request.

We will contact you using the email address you provided. Please advise if you would prefer us to use an alternative means of contact.

If you have questions in relation to your request, please contact Treasury's FOI Team on 02 6263 2800.

Yours sincerely
