#### Notes:

1. Source: Department of Home Affairs (internal documents)

#### Caveats:

- *Regarding Immigration data, the Department's current policy is to mask numbers which are less than five as <5, noting we are reviewing the confidentiality method for the future.*
- *Current program year figures are subject to variation. The data is sourced from our global Departmental systems. There can be delays in transmission of information, therefore data for current program year should always be considered provisional.*
